What a Year! What a blessing!

With hearts full of gratitude and hope, we celebrate another remarkable journey of the Rotary Club of Matugga. Congratulations to the incoming leadership of President Kato Ivan Kirumira (2026/27) and his incoming Board and all success to the new team as they create Lasting Impact.

Sincere appreciation goes to the outgoing President Bilhah Namugenyi Kayizzi (2025/26) and her team for the great act of service to the Club and to the community. As a Club, we have shown that when we unite, we can do good. We thank you!

In this Bulletin, we tell the story of Service Above Self in a roundup of activities that aimed at ending polio, the fight against malaria, promotion of maternal and child health, disease prevention and treatment, the fight against cancer and promotion of education in our community Schools. The pictures truly tell the story.

In life, we are called to live a life of humility. To act justly, to love mercy and to walk humbly with God. (Micah 6:8). In Rotary, we are required to show fairness and kindness and to help the marginalized. By reciting the grace in our assemblies, we are reminded to constantly rely on God with a teachable spirit.

In its journey of service, the Rotary Club of Matugga has embodied all these values showing that Service Above Self is a noble path guided by purpose and faith. Knowing that in serving others, we serve God.

Dear Rotarians, Rotaractors, guests, friends and community, we welcome you yet again to another year of impactful service as we close the Unite for Good Year. We hope this edition informs, inspires and leaves a lasting impression.

Yours in Rotary Service,

Rtn. Esther Nantege

Rtn. Francesco Arezzo

President, Rotary International

RI President's Message

Today, that community includes members across multiple continents who collaborate on leadership development, peacebuilding, and service initiatives. For Wafula, the experience reinforced the lesson that meaningful service begins with people who feel connected, valued, and empowered to lead.

His story reminds us why Youth Service Month is so important. Through Rotaract and programs like Rotary Youth Exchange, young people build leadership skills, develop global understanding, and discover the impact they can make through service.

Rotary's Action Plan calls on us to enhance participant engagement. At its heart, that goal asks a simple question: How can we ensure that participation in Rotary is meaningful and fulfilling for everyone? Youth programs and Rotaract provide a powerful answer.

When clubs mentor Rotaractors, host exchange students, or support youth leadership initiatives, they create opportunities for members to share their experience in ways that feel personal and rewarding. These connections deepen members' sense of purpose and strengthen the bonds within our Rotary family.

They also create lasting pathways into Rotary. Thousands of young people complete Rotary programs each year, and they carry those experiences with them throughout their lives. Many remain eager to stay connected.

Organizations such as Rotex International, an association of former Youth Exchange students, help Rotary program alumni continue serving as mentors, leaders, and advocates for our youth programs. As Rotex co-founder Hans Lee wrote in a recent reflection on Youth Exchange alumni, "exchange doesn't end when you return home."

When we welcome these young leaders into our clubs and activities, we strengthen the continuity of Rotary across generations.

During Youth Service Month, I hope every Rotary club reflects on how youth programs can enhance engagement for new and longtime members. Collaborate on service projects and invite youth voices into your planning and decision making.

Rotary's message to the world is that we can Unite for Good. Youth programs show us how that happens in practice — when generations come together, share ideas, and work side by side in service.

When we invest in young people, we are not only shaping future leaders. We are building a stronger, more connected Rotary today

All he found was a Rotary community that welcomed him with warmth and friendship.

Rtn. Gerald Obai

District Governor 2026-27

Rotary International District 9213

District Governor's Message

Dear President-Elect Kato Ivan Kirumira

The Rotary Club of Matugga,

I congratulate you and your club on yet another important milestone in its commitment to service. Your installation not only signals a change of leadership but also celebrates service to the community and a renewal of our unwavering commitment to Service Above Self.

It is always an honour to be entrusted with the highest leadership position in a Rotary Club, a recognition of your abilities as a Rotarian. Grasp the opportunity and bring all those wonderful qualities to the fore. I invite you to fully embrace and enjoy your year as club president. The position offers you the opportunity to lead your team of dedicated members to Create Lasting Impact. 'Crazy Ideas and the Little Things' shall be our driving force for bold, innovative and creative ideas, while never losing sight of the little things that matter.

Whereas the expectations may sometimes seem immense, remember that you have a wonderful team in your club to work with. Rally all your club members to create an irresistible club experience. When our clubs are vibrant, our members engaged, laughing together, and supporting one another, then service becomes natural. Each club member has a role in creating an unforgettable club experience. Let a positive club experience lay the foundation for attracting new members, building partnerships, serving the community, and giving to the Foundation.

Although I may not be in daily personal contact, "You Will Never Walk Alone." I have assistant governors, who are my eyes, ears, and presence in clubs. Additionally, I have put together a wonderful and dedicated team to support the clubs. Through regionalisation, you have strong support from district officers at your beck and call. A system designed to take our district forward.

After five very successful years, District 9213 now enters its last and final year. What a great opportunity to sign off on a historical high! District 9213 has built a legacy of leadership, innovation, and impact; from service projects to powerful partnerships and global recognition. As we transition into D9217 and D9218, let us not only build on that legacy, but carry it forward - stronger, wiser, and more ambitious. One such ambition is becoming an all-giving district. Every dollar counts. Let us create history together.

Let us embrace this transition with confidence, knowing that the future we are building will expand our reach and deepen our impact.

I once again sincerely congratulate you and wish you and the club the very best as you serve to Create Lasting Impact.

I have assistant governors, who are my eys, ears, and presence in clubs

Rtn. Francis Olul

Assistant Governor – Area 12

Outgoing Assistant Governor's Message

It is my pleasure to join the members of the Rotary Club of Matugga in celebrating the fourth year of Presidential Installation, following the Club Charter on 13th. April.2023.

I congratulate you members for your commitment to Rotary service and for working hard to grow the Rotary Club of Matugga. Additionally I am very encouraged by the Family bond that has grown among you the Members, I urge you to continue with that spirit.

In a special way, allow me to thank President Bilhah for a job well done. Ofcourse, she delivered the results with the support of the Directors and Committee Chairs, the Past Presidents and all of you Galant members of RC Matugga.

At the start of this Rotary year, we set goals to address the following core areas;

1. Membership Retention and Growth;
2. Growing our giving to The Rotary Foundation,
3. Execution of Impactful Projects and services in our community;
4. Improving Club Governance Structure and
5. Promoting the image of our Club and that of Rotary in general.

I am glad to say that we scored very well on all these fronts, while acting with integrity and in the spirit of the Four Way Test.

Looking ahead, I am very excited about the incoming Leadership under the guidance of President Elect Kato Ivan Kirumira. Seeing the vibrancy and dedication with which they have prepared, I have no doubt that the future of RC Matugga is very bright. I urge you members to give the new team all the support they require to scale the heights and ensure that our Club is a shining star.

I welcome AG Florence Musoke aboard and commit to give her all the support to guarantee that we can continue with the good works we are doing to grow RC Matugga.

May the Good Lord reward you as you press forward to serve the under-privileged members of our Community.

It has been a real honor working with each and every one of you, and I will continue to serve alongside you into the future.

God Bless you ALL.

Seeing the vibrancy and dedication with which they have prepared, I have no doubt that the future of RC Matugga is very bright.

Rtn. Bilhah Namugenyi Kayizzi

Outgoing President

Outgoing President's Message

Dear fellow Rotarians, Rotaractors, Interactors, Friends of Rotary, Distinguished Guests, Partners, Ladies and Gentlemen,

"One year ago, we chose a mantra: Unite for Good. I'm excited to report back that we did not just unite, we delivered.

Because of you, over 230 pupils were supported with scholastic materials in St. Jude Kiryagonja and Lwadda Church of Uganda Primary Schools respectively. In collaboration with Bewell Child Care Initiative and other partners, we ran a medical camp and over 1,000 people got healthcare services at Kasangombe Sub county in Nakaseke District. In collaboration with Matugga Health Centre IV, several babies were protected from polio through immunization; breastfeeding mothers and children were supported with nutritional supplements as well as assorted drugs that were donated to the Hospital by the Rotary Club of Matugga. We supported the fight against cancer through purchase of Cancer Run Kits and participating in the Cancer Run at Kololo. We supported the fight for a Malaria free Uganda as well as participating in the Malaria carnival at Las Vegas Bunga. The Club further supported the fight to end Polio in the World by participating in commemorating the International Polio day at Munyonyo; all these we have done as one Rotary family. Together, we did something that mattered.

I do appreciate our team leader, the District Governor Geoffrey Martin Kitakule (D9213), the Assistant Governor Francis Olul and all the Past Assistant Governors, our New Club Advisor Rtn Godfrey Wasswa, the Past Club Presidents and all the gallant members of the Rotary Club of Matugga. Special appreciation to the Board members and Club Officers for the dedication and commitment to service throughout the entire Rotary year. To our Mother Club, the Rotary Club of Nansana, thank you for always being supportive in nurturing our Club.

Being President taught me that the title doesn't make you the strongest person in the room. It makes you the person who reminds the room how strong it is to work together. The challenging part is the pressure to have all the answers and later discovering that you never needed them because Rotary already had them in its membership.

So as we continue to build strong teams as leaders, we should note that; "Teams don't run on talent, they run on trust. Trust that if you drop a ball, someone will pick it up; Trust that your idea will be heard, not judged; Trust that the goal matters more than who gets the credit." Hence, you cannot force a group of people to become a team, but you can give them a reason to.

To the President Elect, the work isn't done yet, we proved what Uniting for Good looks like. So my charge is simple: keep going! bring up those "Little Crazy Ideas" and together we shall make a Lasting Impact to our communities.

Thank you for a year of Unite For Good.

Carrying on the Baton of Service with Courage

by Rtn.Esther Nantege

In the heart of the Rotary Club of Matugga is a beautiful tradition of passing the light from one hand to another. Each handover has been peaceful, graceful and filled with hope, creating a legacy of enduring service.

Our Charter President, Rtn.Charles Kayondo, like the first light of dawn laid the foundation upon which acts of kindness would flourish. The Club was born as a family united by service.

Rtn.Charles Kayondo

Rtn. Nakimuli Eva

Then came the graceful handover to Rtn. Nakimuli Eva whose year reflected the spirit of Rotary Magic. With warmth, she inspired members to believe that all acts of service can create extraordinary change.

Rtn. Bilhah Namugenyi Kayizzi

With trust, hope and humility, the baton was passed to Rtn Bilhah Namugenyi Kayizzi whose presidency reminded the Club that unity is strength. Through every project, meeting and shared smile, the spirit of togetherness grew stronger.

Rtn. Kato Ivan Kirumira

In a true reflection of Rotary values, the story now enters a new chapter as the baton prepares to rest in the hands of Rtn. Kato Ivan Kirumira. His installation is the continuation of a legacy carefully nurtured by those before him. He carries the dreams, lessons and love of every president who has led before him, ready to create a lasting impact.

The Rotary Club of Matugga has shown that leadership is not about holding power, but about faithfully passing the light from one hand to another with grace and hope.

Rtn. Kato Ivan Kirumira (PHF)

President Elect

Acceptance Speech

Fellow Rotarians, distinguished guests, and friends,

I stand before you today deeply honoured and sincerely grateful for the trust you've placed in me as President of this Rotary Club. This is not just a position, it is a responsibility, a privilege, and a call to serve.

Rotary has never been about titles or recognition. It has always been about action, about people coming together with a shared purpose: to create lasting impact in our communities and in the world. Today, I accept this role with humility and with a firm commitment to uphold the values that define us: that is, service above self, integrity, fellowship, and leadership.

I want to acknowledge the incredible work of our past leaders and members. You have built a foundation of impactful projects that have changed lives, partnerships that have strengthened communities, and a spirit of service that continues to inspire. I am not starting something new; I am continuing something meaningful.

As we look ahead, my vision is simple but ambitious: to grow our impact, strengthen our connections, and inspire more people to join us in service. We will focus on projects that matter, education, health, clean water, youth empowerment while ensuring that every member feels engaged, valued, and proud to be a Rotarian.

But none of this will be achieved alone. Leadership in Rotary is never about one person; it is about all of us. Each member brings unique skills, ideas, and passion. Together, we are far more powerful than any individual effort.

I encourage each of you to ask yourself: How can I serve more? How can I lead? How can I make a difference this coming year? Because Rotary is not something we attend, it is something we do.

Let us make this coming year one of purpose and action. Let us strengthen our fellowship, expand our reach, and create a lasting impact that speaks long after this term ends.

Thank you for your confidence, your support, and your commitment to service. I am proud to serve alongside you.

Together, let us do good in the world.

Thank you.

My vision is to grow our impact, stregthen our connections, and inspire more people to join us in service

A Journey of Service and Growth

My Rotary experience as the club secretary

Through my experience as the Club Secretary and doubling as a graduate of the Rotary Leadership Institute (RLI), I am very honoured to share my transformative journey with Rotary. I have found a community that embodies service beyond self even midst juggling different responsibilities,

The Rotary Leadership Institute introduced me to a diverse network of professionals, entrepreneurs, and changemakers. Their expertise, guidance, and support have been invaluable in my personal and professional growth. I have taken lessons from industry leaders, collaborated on projects, and built lasting connections that transcend Rotary.

Rotarians consistently demonstrate an unwavering commitment to service amidst tight schedules. Their dedication inspires me to do more. Through supporting community projects, organizing events, or simply being there for a fellow member, the passion of Rotarians is contagious.

Rotary isn't just an option, it's my choice because of the smiling faces, kindness, and generosity I have encountered.

> *"From business support to community service, Rotary's mission is reinforced*

Rtn. Joseph Mary Tumanyane

Professionals from various backgrounds unite to support causes, uplift communities, and make a lasting impact. The sense of belonging and camaraderie is palpable.

The selflessness of Rotarians is contagious. From business support to community service, Rotary's mission is reinforced.. I have witnessed Rotarians going over and above in putting the needs of others before their own; a testament to the power of collective action. Gratitude to all Rotarians who through their kind acts of service have promoted the Rotary theme "UNITE FOR GOOD". Thank you for your cooperation and support throughout the year. Your dedication to service has made a significant impact, and I am proud to be part of this dynamic team. Special thanks to the leadership and fellow Rotarians for their trust and collaboration.

In the upcoming Rotary year, we are committed to "CREATE LASTING IMPACT" in more diligent ways, contributing to the Club's growth and success. Together, let's continue making a difference and spreading hope.

Distinguished guests, Rotarians, and fellow members, I am pleased to serve as the Chairperson of the Installation Committee. It is a great honor to witness this special moment. The installation ceremony marks a new chapter for our 4th President of RC Matugga, filled with promise and potential. I would d like to extend heartfelt appreciation to our dedicated committee and all Club members. Your efforts have made this event possible.

To our outgoing President, the Board and Club Officers, thank you for the successful tour of duty. Congratulations to the incoming leaders. We are excited to see your vision and leadership going forward. We are committed to supporting you every step of the way. Let us celebrate this milestone and the power of service.

Thank you, and cheers to a fantastic year ahead.

Protecting Vulnerable Children Through

Community Action and Peacebuilding

Every child deserves safety, dignity, education, and the opportunity!

Children are the foundation of every peaceful and prosperous society, yet many vulnerable children continue to face poverty, neglect, limited access to education, and inadequate healthcare. In many communities across Uganda, these challenges expose children to exploitation, school dropout, and hopelessness, ultimately affecting the future development of society.

Through the BeWell Childcare Initiative, we work to restore hope and opportunity for vulnerable children through education support, child protection, healthcare outreach, psychosocial support, and community empowerment. Our "Harmony Through Soccer" initiative has also used sports as a tool for peacebuilding, mentorship, teamwork, and social inclusion among children and youth.

However, protecting children is a shared responsibility that requires collaboration among families, communities, governments, schools, and humanitarian organizations. Rotary's spirit of "Service Above Self" continues to inspire meaningful action toward improving the lives of vulnerable populations worldwide.

Every child deserves safety, dignity, education, and the opportunity to reach their full potential. By investing in children today, we are investing in peaceful, inclusive, and sustainable communities for the future. Together, through compassion and collective action, we can create lasting change in the lives of vulnerable children.
